Information Disclosure Statement

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

Pursuant to 37 C.F.R. § 1.98(d), copies of Documents AA1 and AB1 are included herewith; the remaining documents cited on this Form PTO-1449 were either cited by the Examiner or were previously cited by Applicants and copies submitted in Applicants' 35 U.S.C. § 120 priority Application Nos. **07/045,963**, filed **May 4, 1987**; **07/115,798**, filed **November 2, 1987**; **07/155,943**, filed **February 16, 1988**; **07/189,815**, filed **May 3, 1988**; **07/250,446**, filed **September 28, 1988**; **07/324,481**, filed **March 16, 1989**; **07/373,882**, filed **June 30, 1989**; and **07/456,647**, filed **December 22, 1989** (all of which are now abandoned); **07/515,478**, filed **April 27, 1990** (U.S. Patent No. **5,284,931**); and **08/186,456**, filed **January 25, 1994**. Copies of these documents should already be on file at the PTO and are therefore not included herewith. See 37 C.F.R. § 1.98(d).

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. However, the months of publication of documents **AR1** and **AS3** were unavailable from the publisher of the book from which both documents were drawn. Applicants expressly reserve the right to establish that any document cited in this Information Disclosure Statement does not qualify as prior art under any subsection of 35 U.S.C. §§ 102 or 103.

Applicants also wish to bring to the Examiner's attention co-pending, commonly owned U.S. Application Nos. **08/140,554**, filed **October 25, 1993**; **08/186,456**, filed **January 25, 1994**; and **08/479,763**, filed **June 7, 1995**, which are directed to similar subject matter.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that there does not exist information more material to the examination of the present patent application. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is understood that the Examiner will review art of record in all 35 U.S.C. § 120 priority documents.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449, and to indicate in the official file wrapper of this patent application that the documents have been considered.

Since this Information Disclosure Statement is filed before a first Office Action on the merits is received, it is believed that no fees are due for consideration of this Information Disclosure Statement. The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036. A duplicate copy of this pleading is enclosed.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
